CS 3100
Spring 2024
Group Presentation

Group No.	Date	Topic	Group Members
1	March 28	How has Windows OS evolved over time?: Failures, challenges, and successes	Jacob Cheney A02169396 Tyler Nelson A02397541 Elsa Schutfort A02392875 Cody Wilson A02313918 Zane Hirning A02371568
2	March 28	How has Windows OS evolved over time?: Failures, challenges, and successes	Miles Evans A02259472 Kenton Johnson A02300047 Eric Rytting A02424002 Haley Smith A02337627 Jared Smith A02305009
3	March 28	How has Linux OS evolved over time?: Failures, challenges, and successes	Parker Argyle A02335696 Ammon Hanks A02312661 Jonah Harmon A01843911 Jakob Johnson A02329130 Ethan Stapley A02301402
4	March 28	How has Linux OS evolved over time?: Failures, challenges, and successes	Kade Angell A02365358 Joshua Christensen A02276327 Ethan Hanks A02244523 Weston Johnson A02252990 Caleb Kartchner A02352168
5	April 4	How has macOS evolved over time?: Failures, challenges, and successes	Ryan Gubler A02080983 Eliza Haderlie A02377841 Gavin Knudsen A02269419 Perry Sundstrom A02364419 Ryan Walton A02380720
6	April 4	How has macOS evolved over time?: Failures, challenges, and successes	Paige Davidson A02339425 Aaron Hales A02353892 Josh Hullinger A02331630 Bryson Leithead A02200756 Julie Olson *(She/Her)* A02363064
7	April 4	Interacting with OSes: What end users love, hate, and are confused about!	Alexander Davis A02288556 Jae Garrard *(They/Them)* A02333053 Ethan Harris A02341395 Nate McKenzie A02298217 Jonathan Wright A02310274

8	April 4	Interacting with OSes: What end users love, hate, and are confused about!	Paul Harrison *(He/Him)* A02382371 Dallin McDougal A02314692 Jordan Olsen A02325079 Andrew Stapley A02305669 Samuel Willden A02342112
9	April 11	How will the next-generation OS serve us?: Through the lens of user expectations, and the visions of computer scientists	Samuel Chase A02385173 Mitchell Clove A02313853 Teancum Price A02256477 Matt Rau *(He/Him)* A02267998 Brooke Simpson A02335559
10	April 11	How will the next-generation OS serve us?: Through the lens of user expectations, and the visions of computer scientists	Dallin Byerly A02369275 Alexander Davis A02288556 Eric DeBloois A02242376 Robert Gordon A02220595 Michael Holmes A02395591
11	April 11	What are the next big challenges in OS design?: How should we approach them as computer scientists?	Maile Brilhante A02405738 Jacob Erickson A02366966 Tavo Huerta *(He/Him)* A01972463 Cameron Judd A02265624 Samuel McMillan *(He/Him)* A02261822
12	April 11	What are the next big challenges in OS design?: How should we approach them as computer scientists?	Brandon Herrin A02336477 Matt Lemon A02281938 Nathan Taylor A02359864 Atticus Woods A02334049
